

2. Secondly, once the recommendation will be received, the same should be put in the website of both NISER and HBNI.
3. FIC, Academic Affairs was requested to expedite the matter.

The Academic Council noted the action taken report with the above suggestions.

Item No. 4	To consider introduction of two new elective courses in the School of Physical Sciences.
-------------------	---

The following courses have been proposed to be offered by the School of Physical Sciences:

- i. **Code/Title: Relativistic Nucleus-Nucleus Collisions and Quark-Gluon Plasma**
Credit: 4 (3 lectures, 1 Tutorial and 0 Practical)
Course Instructors: Dr. Amaresh Jaiswal, Prof. Bedangadas Mohanty and Dr. Victor Roy

- ii. **Code/Title: P463 , Astronomy and Astrophysics**
Credit: 4 (3 lectures, 1 Tutorial and 0 Practical)
Course Instructors: Dr. Tuhin Ghosh and Dr. Nishikanta Khandai

The above new courses were deliberated in the UGCI meeting held on 31st October 2017. UGCI recommended introduction of the above new courses in the School of Physical Sciences. The UGCI minutes of the meeting and other related documents were circulated to all the members for reference.

The Academic Council considered and recommended to UG Board of studies for introduction of the above two new elective courses in the School of Physical Sciences.

Item No. 5	To consider and approve the Semester Leave request of Ms. Neha Dhaka.
