FULBRIGHT-NEHRU FELLOWSHIPS FOR INDIAN CITIZENS

★
An IIC Initiative:
Enabling Global Research and Innovation

The Fulbright–Nehru Fellowships offer Indian scholars, researchers, and professionals a unique opportunity to collaborate, conduct research, and build global partnerships in the United States.

Explore the opportunities. Shape global impact.

ABSTRACT

This session will provide an overview of the prestigious Fulbright–Nehru Fellowships offered by USIEF for Indian citizens for the 2027–28 academic year. It will introduce participants to a range of opportunities available for Ph.D. scholars, postdoctoral researchers, faculty members, and professionals.

SPEAKERS

Dr. Ryan Pereira

Regional Officer, USIEF (Western India) |
Former Research Associate, Cornell University |
Ex-Faculty, St. Xavier's College Mumbai

Dr. Ryan Pereira is the Regional Officer at the United States–India Educational Foundation (USIEF), overseeing Fulbright programs in Western India. With over 15 years of experience mentoring students for higher education in the U.S., he brings deep insight into international academic pathways. A former Research Associate at Cornell University and faculty at St. Xavier's College Mumbai, his background spans molecular biology, biochemistry, and academic advising.

Ms. Suranjana Das

Program & Alumni Manager, USIEF Mumbai |
Fulbright Outreach Lead (Western India) |
Former Regional Program Coordinator,
IIE South Asia

Ms. Suranjana Das is the Program and Alumni Manager at USIEF Mumbai, where she leads Fulbright outreach and engagement initiatives across Western India. With over a decade of experience, she mentors applicants and strengthens the Fulbright alumni network. Her background in community development and international education includes roles at the Indian Red Cross Society and the Institute of International Education (IIE), New Delhi.
