Friday, 24th Jan, 2025 at 17.00 hrs

HBNI Council Hall, 2nd Floor, Training School Complex

“Success factors in selection interview at core scientific technical institutions or companies”

Shri M.G.Kelkar is an experienced Electrical Engineer with postgraduate studies in Nuclear and Information Technology. He had over 25 years of expertise in designing reactor control systems and have held various leadership positions in human resources and knowledge management in NPCIL. He served as Head of Reactor and Containment Instrumentation & Control for 5 years. He worked as Associate Director for Human Resources and Knowledge Management for approximately 5 years. He held the position of Executive Director (HR and Knowledge Management) in NPCIL for 2 years. He had an extensive experience in Design, Collaborative Research, Design Review, Computer Based Systems Development and Review, Simulators, Human Resources and Knowledge Management. He received the prestigious Indian Nuclear Society's Medal in 2005. He is recipient of Group Achievement Awards on two occasions.

Abstract

The interactive lecture aims at helping the Ph.D. scholars at HBNI in preparing for Science and Technology company/institute interviews, by explaining the process of selection, interview as a dominant method, the nuances of preparation for interview, suggestions and advice.
