13. Digital Payment for all Financial Transactions as per MHRD Directives

HBNI is a Grant-in-Aid institution under the Department of Atomic Energy (DAE). The operational expenses of HBNI are mainly met from the Grant received from DAE on a monthly/quarterly basis. Apart from this, HBNI generates internal resources by way of Enrollment/Evaluation fees.

As per the directives of the Department, all the transactions related to Grant received from the Department are required to be utilised through Public Financial Management System (PFMS- Treasury Single Account). In compliance with these instructions, HBNI is receiving the Grant and releasing payments to employees, vendors, students etc., digitally.

Apart from the above, HBNI has a Current Account with the State Bank of India, BARC Branch, for receiving Enrollment/Evaluation fees through SBI Collect. The payment from the Current Account is released to vendors, parties, students etc., through RTGS/NEFT.
