22. First Aid

HBNI and its Constituent Institutes/Off-Campus Centre (CIs/OCC) are either R&D centres or fully Aided Institute of the Department of Atomic Energy, and hence under strict purview and monitoring of all Government regulations from time to time. All the students are governed under either the Department's Contributory Health Services Scheme. Primary Health Centres, dispensaries and hospitals are established at all the CIs/OCC of HBNI, which cater to the medical needs of all the students. Ambulance services are also available at all places. Adequate first-aid mechanisms are also provided at various locations on the campus of CIs/OCC.
