26 Vehicle parking

HBNI and its Constituent Institutes/Off-Campus Centre (CIs/OCC) are either R&D centres or fully Aided Institute of the Department of Atomic Energy, and hence under strict purview and monitoring of all Government regulations from time to time. HBNI and all its CIs/OCC are located in urban areas and are establishments built by the Government of India adhering to all the prescribed norms. Needless to say, it is inevitable that all the CIs/OCC should have wide motorized roads to ensure easy movements of employees and materials, and the same are also accessible to the students of HBNI.

Apart from the above, necessary provisions exist at all the CIs/OCC for the parking of both private and government vehicles.
