

Applications Open for the DAE Doctoral Fellowship Scheme (DDFS) for the 2026–27 academic year.

Pursue a Ph.D. under the aegis of Homi Bhabha National Institute (HBNI) at premier DAE institutions --BARC, IGCAR, RRCAT, VECC, and IPR -- and work in advanced laboratories across frontier areas of engineering and nuclear science.

DDFS offers an opportunity to undertake challenging doctoral research, contribute to India's expanding nuclear power and research programmes, and build a rewarding career in advanced science and technology.

 Online applications open till 21 January 2026
