Institute Director at Amity ...

1d • Edited •

With utmost respect, Amity University Uttar Pradesh proudly conferred the Doctor of Science (**D.Sc.**), Honoris Causa, upon Dr. Ajit Kumar Mohanty, Secretary to Government of India, Department of Atomic Energy (DAE) and Chairman of the Atomic Energy Commission (AEC). During his visit he also visited the Centre of excellence laboratory setup in area of Nuclear Security at **Amity Institute of Nuclear Science and Technology**(AINST).

He shared his invaluable insights and vision for the future of atomic energy research, emphasizing the peaceful applications of nuclear technology and its potential to enhance National security, food security, and health security. During his visit he interacted with AINST faculty members and motivated them. The unique remote accessible laboratory was highly appreciated by him.
