

### **"Functional Biomaterials and Synthetic Biology" (FBSB-2023)**

**Prof. U. Kamachi Mudali**, Honorable Vice Chancellor, Homi Bhabha National Institute Mumbai was the Chief Guest at the International conference and startup summit on "Functional Biomaterials and Synthetic Biology" (FBSB-2023) held at Coimbatore from 31st August to 2nd September 2023. —

The conference aims to bring together budding scientist, researchers, entrepreneurs, startups and industrial experts to share their research and experiences. A post conference workshop on CRISPR technologies was organized by Department of Biotechnology, PSG Institute of Advanced Studies, in association with PSG Science & Technology Entrepreneurial Park (PSG-STEP), PSG Center for Academic Research and Excellence (PSG CARE) and Society of Chemical and Synthetic Biology (SCSB).
