

CeNSE, IISc presents

SUMMER SCHOOL 2024

"A CONFERENCE TO SHAPE THE FUTURE OF SEMICONDUCTOR TECHNOLOGY"

Online | June 03 - 14, 2024

Last Date to Apply
29 May 2024

ABOUT THE SCHOOL:

CeNSE, IISc is launching a Summer School in semiconductor technology for UG and PG students interested in semiconductor manufacturing.

CeNSE faculty will host online lectures on microfabrication, characterization, process integration, software, and their specific research areas to enrich students' understanding and preparation for the semiconductor industry.

ELIGIBILITY:

Program is targeted towards Undergraduate students (B.E & Tech), but all are welcome.

PROGRAM DETAILS:

Duration: 2 weeks (June 03-14, 2024)

Mode: Online

Registration Fee: Rs. 1000/-
